

OUR BRANDS CONVINCING AND INSPIRE PEOPLE WORLDWIDE

sanotact is an international specialist supplier of nutritional supplements, medicinal products and functional confectionary such as dextrose and mints. We develop, manufacture and market high-quality products that can have a positive effect on people's health.

Our portfolio comprises five brands. For nutritional supplements, there are the **sanotact**, **hansal** and **demosana** brands. The confectionary segment is covered by the dextrose brand **intact** and **IMPACT** for mints.

sanotact® **sanotact**® brand includes high quality food supplements, dietary foods for special medical purposes and medical devices for active health care.

hansal brand has high-quality healthcare products for the whole family. The range includes specially formulated nutritional supplements to guarantee the perfect diet for all stages of life – from childhood to old age.

demosana provides important vitamins and minerals in the form of effervescent tablets and helps you meet your daily nutritional requirements in a delicious and refreshing way.

intact brand offers glucose products for all purposes: at school, at work, during sports etc. Tasty intact glucose rushes into your bloodstream as soon as it melts in your mouth.

IMPACT is one of the leading brands in the Asian/Pacific area for mints with no added sugar – with a fruity kick and a number of interesting different flavours.

OUR EXPERTISE IN FULL-SERVICE CONTRACT MANUFACTURING FOR YOUR BRAND

In addition to its brand-name business, **sanotact** is also a full-service supplier for industrial and commercial clients in contract manufacturing, offering individual solutions all along the value chain – a one-stop supply for healthcare products and functional confectionary: consultancy, product development, manufacture, packaging and logistics. References from well-known industrial companies and commercial businesses are proof of the level of trust they place in our company's expertise and the high quality of our products.
